

The Trans Lancs Transport Show

The Trans Lancs Transport Show is a family friendly day out featuring classic and modern transport from all parts of Britain.

The Show is based in Heaton Park which is one of the largest municipal parks in Europe. With something for everyone, there'll be classic and modern buses, military and commercial vehicles, cars and motorcycles on show. Close by are the Boating Lake, Lakeside Café and the fun fair. Also in the park are a Heritage tramway, boating lake, golf course with pitch and putt, a horticultural and farm center, bowling greens, plus play areas and gardens

Visit www.heatonpark.org.uk for further information regarding the park and www.heatonparktramway.org.uk for information on the Tramway.

Throughout the afternoon, there will be regular heritage transport links between the Show and the Museum of Transport, using the Heaton Park Tramway and heritage buses from the Museum's Collection. This will give visitors the opportunity to see the large Collection of local buses and coaches on display at the Museum and to visit the Heaton Park Tramway.

Information for Entrants

If you would like to bring a suitable vehicle or stall to the Show, please complete the attached entry form and send it to the address shown overleaf. Each vehicle entrant will receive an event programme and commemorative plaque. Please see overleaf for instructions on how to enter.

Acknowledgement of your entry including directions to the park and an entry number will be sent to you approximately 3 weeks before the event. If you would like an earlier email acknowledgement of your entry, please provide your email address on the form. All vehicles should arrive at Heaton Park between 09:30 and 12:30. Due to park regulations, vehicles will not be able to leave the Show until 16:30 except by prior arrangement.

Please note entries cannot be accepted by email.

We look forward to welcoming you to the Show!
